08 April, 2013

Notes:

1. The questionnaire (in Thai and English) will be handed out to the trainees before the training starts. They will be requested to study the questionnaire.
2. A set of training exercises and training guidelines will be available in English and in Thai prior to the training.
3. Exercises will include short stories with difficult cases and simulation of interview
4. All participants will receive their “survey kit (calculator, writing pad, etc.) at the start of the training, i.e. calculations are necessary for the exercises.
